

LIVING FOR OTHERS
EDUCATION SPONSORSHIP FORM

Living For Others, an NGO in Tarime, Tanzania is working in collaboration with Smiles of Hope, a 501(c)3 charitable organization, in Sidney Ohio (<https://www.alvetro.com/smiles-of-hope>) to provide quality education for children living in poverty. Sponsored children will be able to attend the Emmanuel King Primary School, which was established and is supported by Northside Community Church, Jackson, TN. Most government run primary schools do not teach English which is necessary as students start secondary school. However, for a basic annual tuition of \$500 a child attending Emmanuel King will learn English, receive two meals a day, a school uniform and bus transportation to and from school. You might also consider adding an optional donation to cover administrative costs, which are not covered by the tuition.
